

# School Counselor

The school social worker works with children, parents, and teachers to help children be successful at school. They assist children by providing counseling and/or referrals to social help. They consult with teachers and parents about what is happening with the child and options and choices they have to better meet the child's needs and problems.

The school counselors work with all students, both those in regular and special education.

For more information please contact:

ES School Counselor, Mrs. Christine Spohr at ext. 7584

MS School Counselor, Ms. Olivia Lawler at ext. 7632

HS School Counselor, Ms. Kaitlyn Ealy at ext. 7732
